ALLERGEN INFO

All our allergen information is recorded, available upon request and viewable on our websites. Please let your server know about any allergy or intolerance you may have, and we will be able to provide information on our ingredients. We take steps to minimise the risk of cross contamination when preparing your food, however we do not have specific allergen-free zones in our kitchens and it is therefore **not** possible for us to fully guarantee separation of all allergens. If you would like further information on our preparation methods, please ask one of our team members.
