MENU

If you have an allergy or intolerance, please talk to a member of our staff before you order any food or drink. Full allergen information is available. We can modify/substitute most dishes that contain bread with either gluten free bread or remove the bread from the dish. We can also provide gluten free gravy upon request.

All our food is prepared in kitchens where nuts, gluten and other allergens could be present and our menu descriptions cannot contain all ingredients. We regret that we cannot guarantee that any of our products are free from nuts or derivatives of nuts or that our fish or poultry dishes do not contain bones. We source fish from sustainable sources. Where we state a weight, it's a raw weight and 1oz equals approximately 28 grams.
